Re: Luiz Pedro Rodrigues, Painter

To Whom It May Concern:

I have built or renovated at least a dozen houses over the years. As a result, I am very cognizant of what constitutes an excellent painting job, as well as the characteristics that make it a pleasure to work with a particular painter.

I have known Luiz Rodrigues for ten years, first in Connecticut and now in Florida. Luiz comes originally from Brazil, but he and his family are now all American citizens. Luiz had his own painting company, with a team of painters working for him, in Connecticut for many years. He has also worked for other painters over the years. Luiz and his family moved to Boca Raton a year ago, and he is now establishing himself as a painter in this area.

Luiz has done many painting jobs for us and for our friends, both in Connecticut, where we previously lived, and now in Florida. Luiz's work is uniformly excellent. He takes great pride in his work, does careful and thorough preparation, and works with alacrity, and the finished work is excellent. He maintains a spotless work environment at all times. He is reliable, hard-working, and courteous. I find his pricing very fair.

Equally importantly, Luiz is a man of utmost integrity. I have no issue giving him full access to my home, whether anyone is present or not.

In short, I unqualifiedly recommend Luiz Rodrigues as a painting professional.
